Do Not Lose Hope SA! God Is At Work!

If you are interceding for South Africa - keep praying! God is answering the heartfelt and earnest prayers of the faithful believers currently travailing for the soul of this nation.

The Scriptures tell us “When the Lord comes, He will both bring to light the hidden things of darkness and reveal the counsels of the hearts.” 1 Corinthians 4:5.

President Jacob Zuma and various leaders of the ANC repeatedly declared, “The ANC will rule until Jesus returns.” As believers we know we don’t have to wait for the Second Coming to see God's kingdom advance in South Africa. The Lord faithfully responds to the heartfelt prayers of His people.

The wicked deeds (done in the dark) of the ruling party are being exposed to the light almost on a weekly basis. God is exposing every corrupt deed in government and civil society.

In addition to the daily exposure of President Zuma’s corrupt relationship with the [Gupta criminal enterprise](#), more senior government officials are also being exposed as frauds.

The latest ANC scandals involve Police Minister, Fikile Mbalula who apparently [accepted a R300,000 holiday bribe](#) from a sportswear supplier when he was Minister of Sport.

The media reports Public Enterprises Minister, Lynne Brown [awarded tenders](#) to a company in which her lesbian partner is a director. The DA referred the matter to the Public Protector.

In KZN, dozens of ANC members vying for public office have been assassinated. No arrests have been made. The “political killings” threaten to unravel the party in that province.

President Zuma and his lawyers are currently devising plans to [avoid facing the 783 charges](#) of corruption, fraud and racketeering following the dismissal of his appeal at the SCA.

The [State Capture](#) enquiry promise to lift the lid on widespread corruption, fraud and gross mismanagement of state resources on a staggering scale that will shatter the ruling party.

The ANC/SACP/COSATU alliance is also unraveling at a rapid pace. ANC arrogance has steadily chipped away at the moral capital developed during the struggle against apartheid.

In less than 20 months, the nation will head to the polls to elect both national and provincial governments. What happens at the General Elections in 2019 will determine whether South Africa fulfils its massive potential or join the ranks of numerous failed African states.

It's up to you! Keep praying. Intercede for South Africa! Only God's intervention in this nation can reverse the spiritual and moral decline threatening to destroy our society.

Do not lose hope! The hidden things are being exposed. God is at work. Keep praying!
