WATCHMEN ON THE WALL

“Family Policy Institute exists to defend the family and advance Biblical values in Parliament, the media and general society. Please support this vital cause by donating today.”

Finish Strong For Faith, Family & Freedom!

Family Policy Institute (FPI) is ramping up its efforts to complete several vital projects before the Christmas holiday break. We have just six weeks left to finish strong in 2017.

We are working flat out to complete the CESESA Policy Proposal on Prostitution Law Reform to submit to the ANC before its National Elective Conference in December 2017.

FPI/(Coalition To End Sexual Exploitation SA (CESESA) were also granted an extension by the Parliamentary Women’s Caucus to submit a response to the SALRC Report on Adult Prostitution.

We are working on a strategy with our local and international allies to stop the implementation of the diabolical "Comprehensive Sexuality Education" in our public school curriculums.

These and other vital pro-family initiatives will help defeat the wicked agenda of anti-family radicals and better protect vulnerable women and children from exploitation and abuse.

Please help FPI achieve its pro-family goals for 2017 by making a generous donation today. Your faithful prayers and financial support helps advance your values where it matters most.

You can EFT your donation directly into FPI’s banking account. As a registered NPO and PBO donations to FPI are tax-deductible. Tax-certificates are available on request.

Account name: Family Policy Institute, Standard Bank Current/Cheque account number, 072 535 946. Branch: Claremont, Code: 025109.

I receive tons of messages every week from across the country thanking the team and I for the vital “Salt & Light” and “Watchmen on the Wall” current affairs TV programs.

These weekly programs are the only ones on South African TV providing Christian viewers with truthful information and insights on topical issues from a Biblical perspective.

I need your financial support to keep these vital programs on the air. The costs to produce and broadcast the programs have escalated. But sadly, our funding has not kept pace.

Please make a generous donation today to help FPI maintain its critical presence

on South Africa's airwaves. We must counter the deception in the liberal mainstream media.

We are also preparing for attacks against the sanctity of life, the natural family and religious liberty. Anti-family groups are planning major assaults against Biblical values in the months ahead.

These groups – both local and international – are well organised and well financed. They have multi-million rand budgets to advance their wicked agenda in South Africa.

But we have God and you on our side! We may not have multi-million rand budgets but we do have the wisdom, guidance and favour of God to help us win these critical battles!

However, we do need funding to effectively fight these decisive battles for righteousness and truth. Please help keep FPI on the frontlines of the battle for faith, family and freedom.

Please make a generous donation to FPI today and help us fight the good fight of faith.
