WATCHMEN ON THE WALL

"Family Policy Institute exists to defend the family and advance Biblical values in Parliament, the media and general society. Please support this vital cause by donating today."

Support FPI This "Giving Tuesday" & Make A Moral Difference In South Africa!

Tuesday (28 November) is "Giving Tuesday." A global day of giving fueled by the power of social media and collaboration to advance your values where it matters most!

Celebrated on the Tuesday following Thanksgiving (in the U.S.) and the widely recognized shopping events Black Friday and Cyber Monday, "Giving Tuesday" kicks off the charitable season, when many focus on their holiday and end-of-year giving.

One of the best ways to get involved is by financially supporting ministries that boldly promote your (Biblical) values in the public square (media) and the corridors of power (Parliament).

[Family Policy Institute](#) (FPI) was established in 2007 to do just that! For the past decade FPI faithfully represented and articulated the common and shared values of the Christian Community in Parliament, the mainstream media, critical national debates and general society.

Please donate today! Your vital prayers and giving to this ministry helps keep me and the FPI team on the frontlines of the battle for faith, family and religious freedoms in South Africa!

We have fought numerous battles to defend the natural family, advance Biblical values in Parliament and promote Biblical Christian principles in the mainstream media.

Please make Family Policy Institute your choice for giving this "Giving Tuesday."
Your donation will support our vital and necessary work to defend faith, family and freedom in South Africa!

Your loyal and generous contributions to the work of FPI will ensure this ministry successfully completes its vital pro-family work in 2017 and continue well into next year and beyond.

We anticipate a hectic schedule for 2018. Besides the Election Campaigns that will heat up next year, we are preparing to defeat the "Hate Crimes" Bill and other anti-family legislation including the diabolical attack on the innocence of children called "Comprehensive Sexuality Education.

FPI and its allies are preparing to repel a massive assault on the sanctity of life in Africa. We are also working diligently to defeat decriminalised prostitution in South Africa.

Please make a generous donation to FPI today! Your contributions are a wise investment in the health and welfare of the natural family and Biblical values in South Africa.

You can EFT your contributions directly into [FPI's banking account](#). Donations to FPI are tax-deductible. Please take advantage of this benefit while supporting Biblical values in SA.

Tax-certificates are available on request. Please email anaidoo@familypolicyinstitute.com

This is my final appeal for financial partnerships for 2017. Your giving this "Giving Tuesday" will determine the impact and effectiveness of this ministry over the next 12 months.

FPI's work in South Africa including our critical Bible-based TV and radio programs are completely dependent on your prayers and loyal financial support.

Please donate today to ensure your voice is heard where it matters most!
