WATCHMEN ON THE WALL

"Family Policy Institute exists to defend the family and advance Biblical values in Parliament, the media and general society. Please support this vital cause by donating today."

Help Keep FPI On The Frontlines Of The Battle For Faith, Family & Freedom In South Africa!

Family Policy Institute (FPI) suffered its worst income decline since its inception during the periods December 2017/January 2018. As a result, the ministry's finances are severely depleted.

FPI cannot continue to operate unless there is a dramatic turnaround in its finances. We must raise approximately R327, 500 to fund the ministry's vital pro-family work in South Africa and keep our critical Bible-based TV programs "Salt & Light" & "Watchmen on the Wall" on the airwaves.

If you believe the work of FPI is vital for the defence of the family and the advance of Biblical values in Parliament, the media and general society, then please [donate](#) today.

Your generous donations will ensure we continue the battle for faith, family and religious freedoms in South Africa. We cannot fight these battles on our own. Please partner with us today.

As a registered NPO and Public Benefit Organisation (PBO), donations to FPI are tax-deductible. Please make use of this benefit to support the fight for righteousness and truth in South Africa.

Tax certificates are available on request. Please email anaidoo@familypolicyinstitute.com

The response to my funding appeal last month was way short of expectations. We received approximately R22,500 to date, which leaves the ministry with a deficit of R327, 500.

The following diagram illustrates our current funding needs. Please donate what you can.

9 donations of R10, 000
 19 donations of R5000
 39 donations of R2000
 35 donations of R1000
 39 donations of R500
 40 donations of R250

As you are aware, this ministry cannot survive without funding. Your prayers and financial partnership is vital for our existence and success. However, the current

outlook is dismal.

FPI is currently facing formidable battles for faith, family and freedom. There is a major push by [UNESCO](#) to get “[Comprehensive Sexuality Education](#)” (CSE) fully implemented in SA schools. This diabolical agenda presents the greatest threat to parental rights and the innocence of children.

We are fighting on several fronts to defeat the agenda to decriminalise prostitution, stop “hate crimes” laws being enacted and rein in porn consumption that fuels violence against women.

Marriage and the family are under unprecedented attack from radical sexual rights activists. Foreign liberal groups are pouring millions of dollars into SA to promote abortion-on-demand to children, CSE (also targeting minors) and gender ideology that seeks to redefine gender norms.

FPI needs a fighting chance. We don't have the million dollar budgets of anti-family groups but we *do* have the anointing and wisdom of God. We also have you - the Body of Christ!

Please make a special effort today to [donate](#) generously to the vital work of FPI. Your prayers and financial support will keep us on the frontlines of the battle for faith, family and freedom in SA!
