## WATCHMEN ON THE WALL

*“Family Policy Institute exists to defend the family and advance Biblical values in Parliament, the media and general society. Please support this vital cause by donating today.”*

### ***You & I Have Come Too Far To Give Up Now! - Pray, Partner & Participate!***

Family Policy Institute (FPI) was established in 2007 with the single-minded objective of making the restoration of marriage and the family the cornerstone of South African social policy.

The ministry launched operations on 7 July 2008. Since then, FPI has been at the forefront of the battle to defend the family and advance Biblical values in Parliament, the media and society.

Over the past ten years, FPI fought numerous battles for faith, family and religious freedoms. We won many major battles and lost some too. But through it all, God is faithful.

Significantly however, we owe much of our success to the faithful prayers and loyal financial support of our friends and partners in this ministry. Without you FPI would simply not exist.

As a result, of two consecutive months of dangerously low income (December 2017 and January 2018), I was forced to consider shutting down the ministry and exploring other options.

But I am grateful to report that you, our loyal partners, graciously responded to my funding appeal in February and generously donated a total of R147, 500 to give FPI a fighting chance.

I am deeply grateful to our friends and partners in this vital ministry. Thank you for your generous contributions to Family Policy Institute. Your support is highly valued and appreciated.

We still have a R180, 000 deficit to overcome to fund this ministry’s pro-family objectives. If you have not donated yet, please do so today to help FPI defend your values where it matters most.

Deputy Minister of Justice, John Jeffrey indicates Cabinet has [approved the “Hate Crimes” Bill](#). This legislation has the potential to criminalise certain Scriptures in the Bible and endanger Pastors.

Foreign-funded lobby groups and certain government officials are conspiring to manipulate the democratic process to impose decriminalised prostitution on unsuspecting South Africans.

UN agencies like UNESCO, funded by liberal organisations like George Soros “Open Foundation Society,” are lobbying for the [sexualisation of children as young as 5](#)

through diabolical programs like “Comprehensive Sexuality Education.” If you and I do not stop them - nobody will.

FPI must remain vigilant and active on the battlefield to oppose and defeat these wicked agendas. But we cannot do this on our own. We need your prayers and financial partnership.

The following diagram provides a breakdown of our funding needs. Please donate what you can. We appreciate every gift, no matter what the amount. Please find FPI banking details [here](#)

2 donations of R10, 000  
14 donations of R5000

As a registered NPO and Public Benefit Organisation (PBO), donations to FPI are tax-deductible. Tax-certificates are available on request. Email [anaidoo@familypolicyinstitute.com](mailto:anaidoo@familypolicyinstitute.com)

You and I can do more together than on our own. Please partner with FPI today.
