## WATCHMEN ON THE WALL

*“Family Policy Institute exists to defend the family and advance Biblical values in Parliament, the media and general society. Please support this vital cause by donating today.”*

### ***Your Prayers, Partnership and Participation Defends Faith, Family & Freedom!***

On Monday 28 May I travelled to Durban, KZN for strategy meetings with senior Christian leaders in preparation for the upcoming General Elections in 2019.

On 29/30 May I travel to Gauteng for similar meetings in JHB and Pretoria. On 31 May I speak at a Pastors & Leaders Seminar at Hope Restoration Ministries in Kempton Park.

I have embarked on a countrywide series of Pastors Briefings to discuss the current and unfolding political situation in South Africa including the Church's role in transforming society.

Despite President Ramaphosa's best efforts, the [looting of tax-payer money](#) is getting worse. Corruption and fraud in the ANC ruled government is rampant. We need decisive change in SA!

Both the ANC and [DA are wracked by internal conflicts](#). The political landscape may look very different by Election time. Christian citizens must prayerfully use their vote for real change.

Unfortunately, Family Policy Institute (FPI) has not reached its six-month funding goal. We are still R96, 000 short of budget to ensure this ministry can adequately fulfil all of its objectives.

Please make a generous donation to FPI today to help keep me on the frontlines of the battle for faith, family and religious freedoms. Your financial support is critical for our success.

Apart from the countrywide Pastors Briefings that will help the Church formulate a strategy to impact and influence the outcomes of the General Elections in 2019, we are working on ways to influence several pieces of legislation making its way through the democratic process.

I am currently monitoring the dangerous “Hate Crimes” Bill, the “Land Expropriation Without Compensation” process and the proposed implementation of the diabolical “Comprehensive Sexuality Education” (CSE) in public schools in South Africa.

FPI is using its TV and radio programs to reliably inform, educate and equip Christian citizens with the truth about various agendas to undermine Biblical values and freedoms in society.

Significantly, the work of FPI depends entirely on the donations of friends and partners of the ministry. Without your prayers and financial partnership, we cannot do what we do.

Please therefore, make a decision today to pray for and partner with FPI through a monthly donation of any amount. Your donation - no matter the amount – helps us fight the good fight.

Alternatively, please consider a generous once off donation to FPI today to support our vital pro-family work and keep our Bible-based TV and radio programs on the nations airwaves.

Please help us reach our critical first six-month funding goal. We are R96,000 short of budget.

You can donate directly into [FPI's banking account](#) via EFT. Your donation will ensure we continue the battle to defend the family and promote Biblical values in Parliament, the media and society.

As a registered NPO and Public Benefit Organisation (PBO), donations to FPI are tax deductible. Tax certificates are available on request at [anaidoo@familypolicyinstitute.com](mailto:anaidoo@familypolicyinstitute.com).

Please make a donation today so we can advance your values where it matters most!
