“Family Policy Institute exists to defend the family and advance Biblical values in Parliament, the media and general society. Please support this vital cause by donating today.”

Family Policy Institute (FPI) launches its second-half year (six-month) fundraising campaign to raise the necessary funds to finance its vital pro-family and media work in South Africa.

My funding goal to support our work until January 2019 is R435,000. FPI's workload increases considerably over the next six months as a result of additional responsibilities for the ACDP.

Please note, my work to promote the vision of Godly Governance countrywide is voluntary. It is not a paid position. It is my service to God and the people of South Africa.

Please make a generous donation to FPI today to support our efforts to defend the natural family and actively advance Biblical values in Parliament, the media and general society.

The [audio-clip](#) (recorded at a Pastors Network in Pretoria), in which I share the vision to impact the upcoming General Elections - went viral. I am greatly encouraged that messages from Christian citizens have been pouring in from across the country wanting to get involved.

Our goal is to significantly increase the numbers of Godly men and women in Parliament and Provincial legislatures (in a Biblical political party) to impact our government with righteousness.

We are currently monitoring the UN inspired, “Hate Speech & Hate Crimes” Bill that threaten to criminalise the Scriptures that condemn sexual sin. This dangerous Bill must be defeated.

FPI joins several Christian ministries in SA to defend the autonomy of the Church against a High Court challenge from homosexual activists and the Commission for Gender Equality.

We are also working hard to mobilise the Christian community to oppose the implementation of the diabolical “[Comprehensive Sexuality Education](#)” in public schools in South Africa.

Please sign the Cause for Justice [Petition](#) to stop the legalisation of online distribution of pornography. Research overwhelmingly indicate pornography is harmful and

destructive.

Sadly, however, FPI lacks the funding to fulfil its key objectives. There is much work to be done to advance Biblical values in South Africa but not enough resources to get the job done.

You can change this! Secular humanists and their allies in the radical abortion and sexual rights movements are pouring millions into South Africa to advance their wicked agendas.

Tragically, FPI is lagging far behind. You can make the difference by donating to this vital cause today. Your partnership in this ministry is critical for faith, family and religious freedoms.

The following diagram breaks down our funding needs. Please give what You can today.

10 x donations of R10,000	= R100,000
30 x donations of R5,000	= R150,000
50 x donations of R2000	= R100,000
50 x donations of R1000	= R50,000
50 x donations of R500	= R25,000
50 x donations of R200	= R10,000

That's just 240 people donating. A fraction of the thousands subscribing to this ministry.

Donations can be transferred directly into [FPI's banking account](#). As a registered NPO/PBO, contributions to FPI are tax-deductible. Tax-certificates are available on request.

Your generous contributions will help keep FPI on the frontlines of the battle for faith, family and religious freedoms. Remember, you and I can do more together than on our own!

Please commit to pray and partner with FPI to advance your values where it matters most!
