WATCHMEN ON THE WALL

“Family Policy Institute exists to defend the family and advance Biblical values in Parliament, the media and general society. Please support this vital cause by donating today.”

Family Policy Institute Need Your Help To Continue The Fight For Faith, Family & Freedom!

Sadly, Family Policy Institute's (FPI) second-half year (six-month) fundraising campaign received a lukewarm response. We managed to raise only R42,000 in the month of August.

My funding goal to support our work until January 2019 is R435,000. This means we have to urgently raise R393,000 to ensure the ministry can continue its vital work in South Africa.

Please make a generous donation to FPI today to support our efforts to defend the natural family and actively advance Biblical values in Parliament, the media and general society.

I am currently traveling around the country sharing the Godly Governance vision with Pastors, Civil Society Leaders and ordinary citizens. I have received a phenomenal response.

Our goal is to significantly increase the numbers of Godly men and women in Parliament and Provincial legislatures (in a Biblical political party) to impact our government with righteousness.

We are currently monitoring the UN inspired, “Hate Speech & Hate Crimes” Bill that threaten to criminalise the Scriptures that condemn sexual sin. This dangerous Bill must be defeated.

FPI is a member of the "Alliance to Defend the Autonomy of Churches in SA" (ADACSA) formed to defend the autonomy of the Church against a High Court challenge (heard in the Pretoria High Court on 21 Aug) from homosexual activists and the Commission for Gender Equality.

We are also working hard to mobilise the Christian community to oppose the implementation of the diabolical “[Comprehensive Sexuality Education](#)” in public schools in South Africa.

Please sign the Cause for Justice [Petition](#) to stop the legalisation of online distribution of pornography. Research overwhelmingly indicate pornography is harmful and destructive.

Other Bills FPI is monitoring is the Amendment to the Civil Union Act that compels state marriage officers to perform same sex marriages regardless of their religious

beliefs and convictions and proposed legislation that will criminalise parents for spanking their own children.

Sadly, however, FPI lacks the funding to fulfil its key objectives. There is much work to be done to advance Biblical values in South Africa but not enough resources to get the job done.

FPI is lagging far behind its funding goals. You can change this by donating to this vital cause today. Your partnership in this ministry is critical for faith, family and religious freedoms.

The following diagram breaks down our funding needs. Please give what You can today.

9 x donations of R10,000	= R90,000
27 x donations of R5,000	= R135,000
45 x donations of R2000	= R90,000
43 x donations of R1000	= R43,000
50 x donations of R500	= R25,000
50 x donations of R200	= R10,000

That's just 224 people donating. A fraction of the thousands subscribing to this ministry.

Donations can be transferred directly into [FPI's banking account](#). As a registered NPO/PBO, contributions to FPI are tax-deductible. Tax-certificates are available on request.

Your generous contributions will help keep FPI on the frontlines of the battle for faith, family and religious freedoms. Remember, you and I can do more together than on our own!

Please commit to pray and partner with FPI to advance your values where it matters most!
