## WATCHMEN ON THE WALL

### *Thanksgiving & Praise Report 2018!*

This is my final newsletter for 2018. Arlene and I and the hardworking team at Family Policy Institute will close office on Friday 14 December for a well-deserved Christmas holiday break.

This was our busiest year in more than a decade. I travelled around the country extensively speaking to thousands of Christian citizens about the state of our nation. We also faced formidable challenges against faith, family and religious freedoms. But God was faithful in every situation.

Arlene and I are firstly grateful to God for His supernatural guidance, wisdom, protection and provision this year. We cannot do what we do without the guidance and blessing of the Lord.

We are deeply grateful to our friends and partners in this ministry. Your prayers, encouragement and financial support make our work possible. Thank you for your valued partnership.

We pray God will bless you and your family with wisdom, peace, supernatural protection and prosperity. May you reap as bountifully as you have sacrificially sown into His kingdom.

Arlene and I celebrate our 33<sup>rd</sup> Wedding Anniversary on Wednesday 12 December. We thank God for His guidance, protection and blessings this past forty years of togetherness.

We also celebrate our eldest son, Jay and his wife, Aniska's 3<sup>rd</sup> Wedding Anniversary on 13 Dec.

Our youngest son, Jared successfully completed his pupillage training and was admitted to the Cape Bar Society of Advocates on 7 December. Advocate Jared Naidoo will serve God's purpose.

The Naidoo family have lots to be grateful for. Despite the many challenges we face, God faithfully fulfils His promises to us. Arlene and I give God all the praise and glory for His mercies and grace.

We have also been blessed with many faithful friends and partners in this vital ministry. Many of you have been praying for us and supporting the ministry of FPI for more than 10 years.

Arlene and I thank God for you. We look forward to continuing our partnership in the New Year in defence of the natural family and the active promotion of Biblical values in South Africa.

We wish you and your precious family a blessed, stress-free and Christ centred Christmas. We pray your holiday season will be filled with the love, joy and peace of Christ.

We also pray God will bless you with wisdom, strength and good-health in the New Year. May He use you in greater measure in 2019 for His kingdom purpose. Travel safely.

God bless you
