WATCHMEN ON THE WALL

“Family Policy Institute exists to defend the family and advance Biblical values in Parliament, the media and general society. Please support this vital cause by donating today.”

The Defence & Protection Of Faith, Family & Religious Freedoms Is The Most Critical Task!

As we commence 11 years of vital ministry in SA, Family Policy Institute (FPI) launches its fundraising campaign on 29 January to raise the critical finances we require for the first six months of 2019 to fulfil our God-given mandate to defend the family and advance Biblical values in SA.

We must raise R435,000 by 30 June 2019 to ensure we can effectively inform, educate and equip the Body of Christ to oppose what is evil and promote what is good in South Africa.

Please make a decision today to partner with FPI in this critical task. Your prayers, participation and financial partnership will amplify your voice and Biblical values where its matters most.

Because 2019 is an Election Year, FPI’s workload will increase considerably. Over 500 political parties have registered for the General Elections in May - several of them Christian parties.

FPI’s focus for the next few months is to help the Christian voter make sense of the wide range of voting choices. I will be utilising all of FPI’s media facilities including our TV and radio programs and social media platforms to keep Christian voters reliably and truthfully informed and updated.

FPI will also closely monitor several Bills currently making its way through Parliament that undermine the family, parental rights, Church and family autonomy and religious freedoms.

Working with our allies in the pro-life and pro-family movement, we will mobilise and equip Christian citizens to resist, oppose and defeat the diabolical attacks on Biblical values.

I am also working with my allies in the “Coalition to End Sexual Exploitation” (CESESA) to combat and eradicate sexual exploitation and abuse of vulnerable women and children and oppose the implementation of decriminalised prostitution and Comprehensive Sexuality Education in SA.

The next six months is not only critical for the protection of Biblical values in society but also for the destiny of South Africa. You and I must join forces to defend the family and promote righteousness, justice and truth in South Africa for the sake of our children and grandchildren.

The following diagram provides a breakdown of FPI's funding needs. Please donate what you can today for the defence and protection of faith, family and religious freedoms.

10 x R10,000 donations = R100,000
30 x R5000 donations = R150,000
50 x R2000 donations = R100,000
50 x R1000 donations = R50,000
50 x R500 donations = R25,000
50 x R200 donations = R10,000

Please donate generously today. You can transfer your contribution directly into [FPI's banking account](#) via EFT. Your donation is critical for the promotion of righteousness and truth in SA.

As a registered NPO/PBO, donations to FPI are tax-deductible. Please utilise this benefit to generously support this vital pro-family work. Tax-certificates are available on request.

May God bless and prosper you and your precious family as you sow into the work of His kingdom. Please pray for the protection and success of Family Policy Institute in South Africa.
