## WATCHMEN ON THE WALL

*“Family Policy Institute exists to defend the family and advance Biblical values in Parliament, the media and general society. Please support this vital cause by donating today.”*

### ***FPI Is Lagging Far Behind. Please Help!***

Family Policy Institute’s (FPI) six-month fundraising campaign did not get off to an encouraging start on 29 January 2019. Sadly, our target to raise R450,000 by 30 June received a lukewarm response.

Your partnership and financial support of FPI is critical. We cannot do the vital work we do to defend and uphold faith, family and religious freedoms in South Africa without your prayers and financial partnership.

We are dangerously low on funds and must urgently improve our financial situation to continue our vital work to defend the family and advance Biblical values in Parliament, the media and society.

FPI received a total of R29,400 in donations in response to our funding appeal on 29 January. Thank you to those who gave. We are deeply grateful to our partners and supporters in this critical pro-family work.

However, we still have a long way to go to reach our goal of R450,000 by 30 June. As of today’s date (26 February) I must raise R420,600 within four months to ensure we achieve our six-month goals.

The FPI team and I are working flat out to reliably and accurately inform and educate Christian citizens about the policy positions of the various political parties contesting the General Elections on 8 May.

FPI produces two current-affairs TV programs broadcast weekly on TBN in Africa and Faith Channel. The production costs are significant. Your donations help keep us on the air. Your financial support of Christian media is critical to counter the deception and distortions of truth in the liberal media.

We must also launch our radio programs soon but don’t have the necessary funding to do this. FPI’s “Godly Government” social media campaign is also lagging behind because of a critical lack of funding.

I chaired the CESESA meeting in CT on 21 Feb and attended the Christian Leaders Forum in KZN 22-23 Feb. Both meetings emphasized the critical need for our efforts in SA and why we dare not lose focus.

You can make a difference in SA by supporting the vital work of FPI. We are diligently advancing your values where it matters most. We also expose and combat what is harmful and destructive to faith, family and religious freedoms. FPI remains on the frontline of the battle for Biblical values.

Please make a prayerful decision today to make a generous contribution to FPI. Your

donation - whatever the amount - is critical for our success. You and I can do more together than on our own.

The following diagram provides a breakdown of FPI's funding needs. Please donate what You can today.

10 x R10,000 donations = R100,000

29 x R5000 donations = R145,000

49 x R2000 donations = R98,000

47 x R1000 donations = R47,000

44 x R500 donations = R22,000

43 x R200 donations = R8,600

Please donate generously today. You can transfer your contribution directly into [FPI's banking account](#) via EFT. Your donation is critical for the promotion of righteousness and truth in South Africa.

As a registered NPO/PBO, donations to FPI are tax-deductible. Please utilise this benefit to generously support this vital pro-family work. Tax-certificates are available on request.

May God bless and prosper you and your precious family as you sow into the work of His kingdom. Please pray for the protection and success of Family Policy Institute in South Africa.
