

WATCHMEN ON THE WALL

Pray, Partner & Participate To Protect Faith, Family & Religious Freedoms!

My recent newsletter entitled, [“Will the Sheep Remain Silent While SA’s Children are Fed to the Wolves?”](#) was shared extensively on social media and read by tens of thousands of citizens. I am grateful to [Joy Digital](#) for helping to get this story to scores of Christians countrywide.

The mainstream media also expressed a keen interest in the letter sent to the Minister of Basic Education and the growing public outrage at the secrecy surrounding the implementation of CSE in South Africa's schools.

Government’s strategy has become clear. Promote and advance the nefarious objectives of the global "sexual rights" movement in public policy, education and key social institutions while restricting the efforts of religious institutions to combat this harmful agenda by enacting “Hate Crimes” laws.

“Comprehensive Sexuality Education” (CSE) must be stopped in SA! This is governments most insidious assault on the innocence of children and the rights, authority and deeply held convictions of millions of parents.

I need your prayers, financial partnership and active participation to defend and protect the family, fight for parental rights and advance Biblical values in Parliament, the media and general society. Your support is critical in the battle for righteousness and truth in South Africa.

I launched my second six-month fundraising campaign on 30 July 2019. We must raise R450,000 to ensure FPI remains active and effective on the frontlines of the battle for faith, family and religious freedoms in South Africa.

We are fighting foreign-funded anti-family and anti-Christian groups who

enjoy multi-million Rand budgets. However, FPI cannot expose and combat these groups without financial resources. That's why your prayers and financial partnership is essential. Please help us advance your values where it matters most!

FPI received a total of R84,000 in donations to date. Thank you and God bless you! Every donation counts no matter the amount. This means we must still urgently raise R366,000 to ensure we have the desperately needed funds to sustain our vital pro-family work in South Africa.

The following diagram indicates our current needs. Please donate what you can today.

10 x donations of R10,000 = R100,000
19 x donations of R5,000 = R95,000
49 x donations of R2,000 = R98,000
50 x donation of R1,000 = R50,000
46 x donations of R500 = R23,000

Did you know you can reduce your taxes by donating to FPI? As a registered NPO/PBO, donations to FPI are tax deductible. You can [EFT your contributions directly into FPI's banking account](#). Tax certificates are available on request at info@familypolicyinstitute.com

I am currently working on a strategy with "*Family Watch International*" to mobilise massive public opposition to CSE. I am also monitoring "Hate Crimes" legislation that attempts to criminalise the Bible. We are currently working on multiple fronts to defend and protect your values.

The Sept editions of [Joy and Juig magazines](#) include a six-page feature article on the work of Family Policy Institute in South Africa. Please purchase a copy this week or an [annual subscription](#) to this excellent Bible-based magazine to stay truthfully informed on topical issues.

Pray, Partner and Participate for faith, the natural family and religious freedoms in South Africa. Thank you for partnering with FPI. Your prayers and financial support are highly valued and appreciated.
